**C.C.A** Explain Marketing/marketing out lets Write short note on Art Exhibition **PROJECT** Design any one of the following for marketing/school competition 1) A well beaded necklace 2) Beautiful table cloth 3) A well designed flower pot

### **French Project**

In an album from, paste picture of 10 professions and write their names in French ( no colour) **Assignment** In ten sentences, each decrrier 1 moi même 2 Mon père 3 ma mère

**MATHS JS2: Holiday Assignment:** 1. The following is the distribution of Mr Tochukwu income on a monthly basis.

Feeding	20,000
Medical	4,000
Transportation	4,000
Rent	2,000

Others 10,000

(a) Use the information to construct a pie chart. (b) What is the percentage of his income is feeding. 2. Complete the table of values for  $y = 4x - 1$  as show below

X	0	1	2	3	4	5
y	-1			15		

(b) convert 221three to base ten

3. A bag contain 2 red, 6 white and 4 blue identical balls, if a ball is to be picked at random, what is the probability of (a) picking a white ball? (b) picking a red ball? (c) picking either a white or a red ball? (d) not picking a blue ball? (e) picking all the colours? 4. Construct a  $\Delta ABC$  such that  $\angle A = 60^\circ$ ,  $AB = 6.5\text{cm}$ ,  $BC = 8\text{cm}$  and  $\angle C = 60^\circ$ . (ii) Measure AC. **PROJECT**: Using binary codes, send the message I LIKE MATHEMATICS with cardboard sheet.

## Mathematics

### Project

Using a carton, design an album of laws of indices.

### Assignment

1. What is the coefficient of X in  $(4x-3)(x-2)$
2. Change 0.025 to fraction
3. If  $2(3g-5) = 4g+13$ , Find the value of g?
4. Factorize:  $az-ay$
5. If 3 is subtracted from a certain number, the result is divided by 6 and the final answer is 5. What is the number?

**PRE\_VOCATIONAL STUDIES PROJECT TOPIC** : Construct any two of the following packaging materials using strong cartons. (1) A drum (2) A perforated box (3) A poultry Cage (4) An egg crate (5) A tray (Feeding through) (Any two you like) **ASSIGNMENT** 1) Define a fibre 2) With the aid of a diagram, classify the textile fibres. 3) Outline the reasons for studying textile fibres.

**BASIC TECH.** 1.what is wood processing. 2.state the properties of good timber. 3.List five common wood defects and explain three. 4a describe treatments and preservation methods for timber. **PROJECT** Using carton construct wood trunk showing growing rings.
