

**ST CHARLES' COLLEGE ONITSHA**  
**2024/2025 SECOND TERM PROJECT FOR SS 1**

S/N	SSUBJECTS	PROJECTS
1)	ENGLISH LANGUAGE	Use a cardboard sheet to make an album and write out the following: 1. What is an adjunct (Adverbials) 2. Mention four types of Adverbials you know and give one sentence example of each.
2)	MATHEMATICS	By the use of carton, construct the following: 1. Triangular prism 2. Pyramid 3. Cone 4. Frustrum
3)	CIVIC EDUCATION	In an album form, draw five different culture from Igbo land that promotes culture e.g new yam festival, ozo titlt etc.
4)	IGBO LANGUAGE	Were akorongwa di mma ruputa otu n'ime ndi a: aka (beads), aziza, akupe, nkata iji gosiputa oruaka ndi igbo.
5)	BIOLOGY	With a carbon sheet, construct an album Write out fifteen (15) ecological instrument (measuring instrument and their uses)
6)	CHEMISTRY	In an album form using a cardboard sheet place 5 non-crystalline form of carbon and draw 2 crystalline form.
7)	PHYSICS	Using flexible wire, switch, battery and torch bulb, construct a simple electric circuit.
8)	FURTHER MATHS	
9)	TECHNICAL DRAWING	Use thick carton to construct spanner with one head, length 20cm Establish centre O. Draw line AB at $30^{\circ}$ to the centre line. Draw line xy and along it mark 15mm on both sides of the centre. Erect perpendicular at these points. Measure 8mm above the centre along the perpendicular. Draw PQ 8mm parallel to AB. Draw UZ 22mm parallel to AB with centre O radius 24mm draw arc with centres H and J and radius 26mm draw arc with centre O radius 48mm draw arc. Draw a line $60^{\circ}$ to UZ and along it determine a point from which an arc of 52mm radius will be tangent to circumference. Draw a line $60^{\circ}$ to PQ and along it determine a point from which an arc 24mm radius will be tangent to the circumference.
10)	GEOGRAPHY	Draw the map of Nigeria, showing the two major vegetation types in Nigeria.
11)	FISHERY	
12)	AGRICULTURAL SCIENCE	In an album form, write the following:- i. Define crops ii. Write the common and botanical names of any ten (10) crops iii. Paste any three monocot crops and any three dicot crops you know.
13)	COMMERCE	In an album form, use cardboard sheet:- 1. Define Money 2. Draw and label Nigeria currency
14)	LITERATURE IN ENGLISH	Item:- 1. Acquisition and submission of the following Drama texts: a. Once upon a time by Bosede Afolayan b. Marriage of Anansewa by Efua Sutherland 2i. With the aid of a diagram, illustrate the theme of dictatorship or tyranny as showcased in the play. ii. Briefly elaborate on your diagram, indicating the Act & Scene where the incident occur in the play.
15)	CRS	Use a cardboard sheet to make an album on the following:- 1. Define Prayer 2. Types of Prayer 3. Reasons for unanswered prayers
16)	DATA PROCESSING	In a cardboard sheet briefly explain what is DBMS (Database Management System). Give five examples of it. Draw and label the window view of MS Access as one of the DBMS.
17)	ECONOMICS	In an album form, use cardboard sheet, draw 10 (ten) different forms of money. (5 old forms of money and 5 new forms of money)

18)	GOVERNMENT	1. In an album form draw any five (5) logos of political parties you know 2. Mention any seven (7) functions of political party
19)	VISUAL ART	Textile design:- create a paper design and repeat pattern by copying an abada cloth both the colour and the motif with white cardboard. Measurement: 40cm by 30cm, make it colourful
20)	FINANCIAL ACCOUNTING	Using a cardboard sheet present the format of either:- 1. Sales ledger control account 2. Purchase ledger control account
